Date: 21 April 2001

Contract Title: TEP-6 Satellite Operation and Maintenance

Contract No: TEP6-SAT-O&M-618

Contract Value: \$ 2,376,593.00 (USD Two Million Three Hundred Seventy Six Thousand Five Hundred Ninety Three)

Contract Period: September 1999 through January 2001

Subcontractor: **National Telecommunication Company Limited (NATEL)**  
**PO Box 9260**  
**Riyadh 11413**  
**Kingdom of Saudi Arabia**

**To Whom It May Concern,**

This is to confirm that National Telecommunication Company Limited (NATEL) has successfully completed the above referenced contract.

The type of work involved was to provide daily operation (round the clock) for the new and upgraded equipment at the TEP-6 Satellite Earth Stations (Dirab & KFSTC) and IFMC sites (Deerah & Mujammah) at Riyadh and Jeddah in accordance with INTEL.SAT, INMARSAT and ARABSAT operations standards

Yours Sincerely,
